Mr. Sea:

This e-mail is in response to your questions over the phone earlier today in reference to comments on the USEC DEIS.

Q1. Does NRC have a size limitation on how many photographs may be sent electronically?

A1. I'm not certain, but I don't think so. I recommend submitting the pictures a few at a time if there are problems. If there are continued problems sending the photos electronically, notify us of the problem immediately, and send them in the mail.

Q2. Is the DEIS comment deadline 5:00 pm. or midnight?

A2. Midnight.

Q3. How firm is the deadline for commenting on the DEIS?

A3. Since you have contacted us in advance and indicated a hardship with filing comments for the DEIS and completing a filing for the ASLB, which are on the same day, we can give you an additional 48 hours to complete and submit your DEIS comments.

If you have any additional questions, please contact Matt Blevins at 301-415-7684 or me at 301-415-7777.
